TORONTO GENERAL HOSPITAL

SUPERINTENDENTS OFFICE

Toronto, August 1st, 1919.

Sir Robert Falconer,
University of Toronto,
Toronto.

Dear Sir Robert:-

On the day of the next Board meeting, August 13th, it is planned to call together the Joint Hospital Relations Committee and to, as far as possible, settle the question of the medical appointments. It is the desire of all the members of the Board that the resignations of those whose appointments terminate should be tendered to the Secretary without any solicitation from the Trustees of the Hospital. Could you kindly arrange this for them?

I am, personally, very anxious to have this matter settled so that we might complete the appointment of Dr. Graham.

Sincerely yours,

C. J. Decker,

Deputy Superintendent.

Dear Mr Decker;

Your letter of Aug. 1 has just reached me. I shall not be in Toronto until Aug. 25 so cannot attend a meeting of the Hospital Relations' Committee on Aug. 18. I am not sure who the members of the Board are whose appointments terminate. I can easily get our Board of Governors not to make any new appointments till I hear from the Hospital Trustees, but as I remember it we discussed our University membership not long ago and the Board did not want any changes. I mean the hospital Board. As far as Dr Graham is concerned he has his hospital appointment as professor of Medicine.

If I can be of any service when I am in Toronto from Aug. 25 to 27 I shall be very glad.

Yours very sincerely,

September 27th, 1919

Mr. Decker,
Secretary, Toronto General Hospital,
Toronto.

Dear Mr. Decker:

I have a note from Sir Joseph Flavelle stating that he has asked you to record my name as a consenting member of the Board to the nominations in Medicine. I shall be glad if you will do this.

Yours sincerely,

President.

Sir Robert Falconer,

My dear Sir Robert:-

You have undoubtedly received from Mr. Cameron a letter protesting the arrangement of services which divided his patients between two wards.

I regret that this arrangement was effected without Mr. Cameron's knowledge or consent. I did not know that this was the case. However, we are working now on a plan which we hope will be satisfactory to everyone and one which will place all of Mr. Cameron's patients in one ward. I thought that you would like to know this.

Sincerely yours,

C. J. Decker

Mr. I. H. Cameron,
Professor of Surgery and Clinical Surgery,
Toronto.

Dear Mr. Cameron:-

Thank you for your note of the 11th instant.

I regret that the rearrangement of services has in any way inconvenienced you. I am sure that when this plan was drafted some of the points which you refer to in your note were quite overlooked and I am pleased to inform you that what we hope will be a more satisfactory arrangement is now being drafted.

Respectfully yours,

(Signed) C. J. Decker,

Dr. C. J. Hocker,
Superintendent, Toronto General Hospital.

Dear Dr. Hocker:

I have not heard from Professor A. H. Cameron on the matter to which you refer, but I am glad to know that you have been able to make such arrangements as will satisfy him.

I am sending you the nominations for Psychiatry at the Hospital made by Dr. Clarke. He tells me that he had sent them on to you some time ago. I suppose these ought to be presented at the next meeting of our joint Hospital Relations Committee. There are still those from Dr. Bisnett to be attended to but I am not yet able to report upon them.

Yours sincerely,

President.

Toronto, May 18th, 1920.

Sir Robert Falconer,
University of Toronto,
Toronto.

Dear Sir Robert:-

The Trustees some time ago expressed a desire that all appointments to the Hospital staff should be made this year not later than June 1st. The regular time for appointments is the month of April, but this year it was quite impossible to take the matter of appointments up at that time.

I would appreciate it if you would give this matter your early attention and furnish me with a list of your recommendations as soon as possible.

Faithfully yours,

E. J. Becker

Superintendent.

C. J. Decker, Esq.,
Superintendent, Toronto General Hospital.

Dear Mr. Decker:

Dr. J. H. MacCallum has just returned to town, and has written to me that there will be no change in the appointments for his department as far as the Hospital is concerned.

Professor Wishart has told me that the omission of the name of Dr. Clarke was an oversight, and that he would like him added to his list.

Yours sincerely,

President.
